

ST-MEDICO OPD MANAGEMENT SOFTWARE

ST-Medico, OPD Management Software is an advanced Windows based Clinic Management Software for OPD clinics. ST-Medico is suitable for any Specialty doctor for their customized needs. It enables physicians and clinic managers to efficiently manage their clinics' daily operational needs. ST-Medico is designed for a single-user as well as multiple users in a network environment, our comprehensive clinic software services equip clinics and medical centres with useful tools to implement a complete medical solution.

ST-Medico, OPD Management Software supports Patient History, Diagnosis Records, Treatment, Billing and many other features. ST-Medico Software is Best

- ▶ Getting patient case history on single click.
- ▶ Easy to use for single user and multi user.
- ▶ Network Based.
- ▶ Master data for faster clinical entry.
- ▶ Robust and easy flow for patient data entry.
- ▶ Organized case reports.
- ▶ SMS feature for reminders & wishes.
- ▶ Indepth summarized reports for management.
